Frequently Asked Questions (FAQs)

1. What is MBSB's current Effective Cost of Fund /-i?	MBSB's Effective Cost of Fund/-i (ECOF/ECOF-i) is revised from 6.85% to 6.75% p.a.
2. When is the effective date?	Effective 1 August 2016
3. Is the ECOF/ECOF-i revision applicable to existing and new financing customers?	Yes, it is applicable to existing and new financing customers.
4. Will my instalment be revised? If yes, how can I know my new instalment amount?	<p>Yes, the existing monthly instalment for all financing products under variable rates will be revised with the exception of Personal Financing-i (PF-i) product. For PF-i, the monthly instalment would be fixed throughout the tenure and the adjustment would be made at the final instalment.</p> <p>MBSB will issue notification letter to respective customers on the revised installment amount prior to the date the revised monthly instalment comes into effect.</p>
5. If I have further enquiries, whom should I contact?	You may contact our Customer Call Centre at 03-2096 3000 for further enquiries.
